Summary: The trustee board convened via Zoom on Monday, June 1, 2020 at 6:45 p.m. to discuss the terms of the articulation agreement between MSCC and AIHC-SBS. The purpose of the meeting was to get a final approval from all board members before the staff of AIHC-SBS and MSCC finalize the partnership. The board was presented with information about MSCC (Mid-South Christian College) and received a report about the staff and executive committee's visit to MSCC's campus. Dean Thomas explained and detailed the terms of the agreement. There was a comment concerning quid pro quo in the terms of agreement presented during the meeting. However, after careful review, the trustee board and staff did not find any information within the terms of agreement that would indicate any expectations from AIHC-SBS. There was a unanimous vote of approval from all trustee board members.
